- » One-on-One interaction with senior Project Managers
- » Practical workshops on all project aspects, from finding a call to final reporting

Practical knowledge from experienced professionals

Step out of the office and into the **European Summer Academy**. EU funding experts will present the complexities of the various programmes of 2007-2013, while allowing the participants to absorb the information in the comfortable, relaxing surroundings of Lake Balaton. Participants will learn the differences of the Community Programmes and then go through the entire life-cycle of an FP7 project, from identifying a call to final reporting. The European Summer Academy is undoubtedly the ultimate solution to how you can succeed in the new programmes of EU funding.

Free E-learning Participants are given 4-weeks e-learning access to provide them with background and theoretical knowledge of EU funding programmes. The e-learning is optional, but highly recommended.

*Breakfasts and lunches are included, but dinner is on the participants.
